THE WORLD’S MOST UNTOUCHABLE TOUCHSTONE OF A PUBLICATION BACKSIDE ABOUT KENT ROBERTS

## Addressing the elephant in the room

**By Kent Roberts**

*Note: Kent Father Keith was diagnosed with stage IV cancer approximately a week after a reality star coddling the malignant perspectives of white-supremacists and misogynists was elected president of the United States.*

Contrary to what many Americans, both north and south of the equator, say about Kent Roberts, he did not ooze out of a fissure in the earth in [518,123,487 BCE](#). As one of the more vocal members of Kent’s childhood horse figurine collection might have said, “Neigh, sir!”

In fact, Kent was born in the late 70s in the vowel-endowed state of Ohio. Thenceforth, he saw a continuing degradation in the manner with which periodicals and other outlets engaged the public. Specifically, he did not see himself in the news – only others.

And some of those people were federal hate-monger abettors Ted Nugent, Kid Rock, Mike Tyson, Stephen Baldwin, Mike Ditka,

Gary Busey, Dennis Rodman, Hulk Hogan, Tila Tequila, Bobby Knight, and Kanye West.

And Kent dreamt of a better world. Meanwhile, the behaviors of those federal leaders supported by Rock and Tequila collectively and effectively made him question the direction of humanity more than he ever had. He increasingly believed the Trump supporters were Satanic.

But here's the thing, as Kent Father Keith pointed out, actually citing Kent Paternal Grandfather Ken Roberts: *We must assume people's best intentions.*

Kent Chief Insubstantiality Officer Kent Roberts furthered this thought within the current Twilight Zone episode: “We must assume the best and prepare for the worst. Passion and compassion are timeless and infinite. Love will find a way, even when town mall pedophiles and boastful gropers take the stage to rousing receptions, black-mirroring the other side. But the lunatic fringe’s mirror is broken, and the picture is fragmented. Look at the reflection to find the

answer. Set up safeguards to ward off apocalyptic zombies who have been bitten and carry the virus. Always save yourself first.

“We want to reach out to an extent, to expect the goodness in each other. However, we also want to stand back and watch the most disgusting show of hubris and soulless fanaticism the country has ever seen collapse into dust, having been hoisted by its own petard. Weasels in

expensive suits who profit off exploitation and manipulation chain themselves to a sinking ship. Steadfastly aligned with sexual assault are Donald Trump, the NRA, and the Republican Party.”
